Congratulations on doing a good job. We drove to the ghetto, got inside, & the music was dope! The place was getting filled. Then they opened up a second room. I beleive the music was all house,ghetto, or booty in this room.Mark Almaria through down some shit in that room. I don't remember much about the night. Mickey B I beleive from the U.K. fucked my shit up. He was spinning some crazy shit when all of a sudden be broke out with some jungle. The bigger room had huge screens. This place was some sort of hall. My night didn't begin until Paul Johnson began. I love that guy. He is what Chicago's house is all about. One of Paul's friends went on and then the party was over. It ended pretty early. See ya!

First off it was thrown in the old Alcatraz, a space way too small for how big they should've known this party was going to be!

Second, they wouldn't even cut no deal's on this shit not even two dollar's off!!

You had to pay the full amount, \$22 or you absolutely could not pass! Give me a break!

Tommy Sunshine was throwing down upstairs and jungle was down stairs, then at 1:45 a.m. BUSTED!!!!!!

They had a paddy wagon outside and everything but everyone got to leave. Then after hours was in some kid's basement! Talk about GHETTO! Some kid was trying to charge \$5 just to sit in his basement shoulder to skoulder with 50 kid's! Fuck all that mess! I just went

home and puffed some nug's down!!

PEACE!!

I heard this was going to be in a mall, but I figured it was going to be abandoned! Sure enough it had real stores with real clothes, of course there were fenced doors over the openings of each store. It occurred on Halsted (Southside). Lots of people were complaining of this party but I personally loved it!! Security sucked as usual. They were fucking with some kids coming out of the bathrooms. Just being rude for no apparent reason.

As you walked in the main room you could see how fresh the set up was. The 1st DJ fucked some shit up with those wicked tribal beats. Adam X (Frankie Bone's brother) really fucked my ass up! I waited for him all night. When he finally came on I speaker fucked so hard that before his set was over I couldn't dance no more! I definitely hope somebody recorded that set. At the same time Adam X was spinning Paul Johnson was booming in the smaller room. There weren't any lights in this room but the sound made up for it. Paul had everybody jacking to his sound!. The only bad thing is while Paul was spinning the sound kept stopping from someone stepping on the wire. The party was busted at 4:20A.M. During the last half of Adam X's set! I was pissed! But I met alot of rad people! I love you all! Be real!

OPINIONS + FACTS ON Julian

What's up Chicago! My name is Julian. I am from Detroit Pontiac Michigan. I'm 21 & I began going to parties 2 yrs. ago. When I 1st began it was fun, now it's a habit.. Back when I began I was a candy-raver, more into drugs, & enjoying the music. Now I'm more mature w/out doing drugs. Enjoying the music being clean but still represent budda!!

I got alot of associates & I made alot of friends. Some are real & some I would do some sighsty shit too. My real friends I really care about that I'd never harm too because I see that in there heart ~~there~~ real. And if your real in my eyes your down with me. Associates would be inrods that I know would just come & go.

My opinion on music is I beleive it's all an art. I really don't have a preferable type.. But I've been to many cities. Which are Detroit, Chicago, Toronto, Quads, Madison, & Ohio. Of those that I've been to I must say Chicago is my favorite. Cause I made alot of friends. Friends I could think about that made history in my life. I know whenever I pick up I could always think back of the summer of 96'. All cities are usually the same but you get different faces. Some cities could be hard because people don't give a damn where you go. Of all the cities I've been to I wanna go to New York. That's where I wanna die at! Because N.Y. is real & dope. N.Y. is a land of crooks & any city labeled as a land of crooks gotta be a city of survival. When your living all your doing is surviving. I have to beat the streets when I'm chillin.

The rave scene changed my life alot. In many ways than one. Up n' down, jumping over craights, loosong my balance, & trying not to fall off the edge. I had mad fun in the scene & some times it was dead on it. But I gotta say if I wasn't in the scene my life would be much calmer. But if you would ask me if I would change anything in my life- I'd say NO! Because there is no such thing as a perfect life. Let

CONT.

I'd like to give shouts out to: Mecca(the psycho pathic thinker), baby Chris (the kid w/out a brain), Josephine (a dope ass girl), Chocolate(my brother), Jose(the cutest boy), Agnes (the cutest girl), Gina (your like my mom), Jeff (one bird over a cookoo's nest), Adam (a down mother-fucker), Devon (good looking out), Side Show Bob(making \$\$\$), Maggie (a fly girl, one of Chicago's flyest female dancers & much love to kelly too), Monica & Lisa (double trouble), Darrell (all about surviving), Caylib (mad-traveler), Mike & Cookie (you two be on some now you see me & now you don't shit), Raverbanger (keep your heads up).

Much love to Hip-Hop straight from Detroit, the city of boom!!!

All my shouts go out to all my pals you see & this middle finger goes out to you punk MC's!!!!!!

ATP & CORE INNOVATIONS

Remember the old saying, "HARDCORE
YOU PUSSY MOTHER FUCKERS!", that
pretty much explain's this party

It was well worth staying and
partying with my family, my scene,
my home!

It was thrown at the expo center
next to the Photon, a space we've all
been to.

There could've been a lot more people
but with what was there, it was still
kick-ass!

The set up was so fabulous! The
speaker's were set up higher then the tallest
person there! I mean we're talking
absolute total pumping hard ass bass
in your face!

They had some phat projection
screen's up, you could'nt see them very
well though, only because all the other
wonderfully, sparkling, tweaked out
light's were shinning intensely all over
the place!

For the count down it was some hard ass bass
kicking and everyone was all crowded up
by the speaker's. They showed number's
counting down on the projection screen's as
we were counting down, after we yelled happy

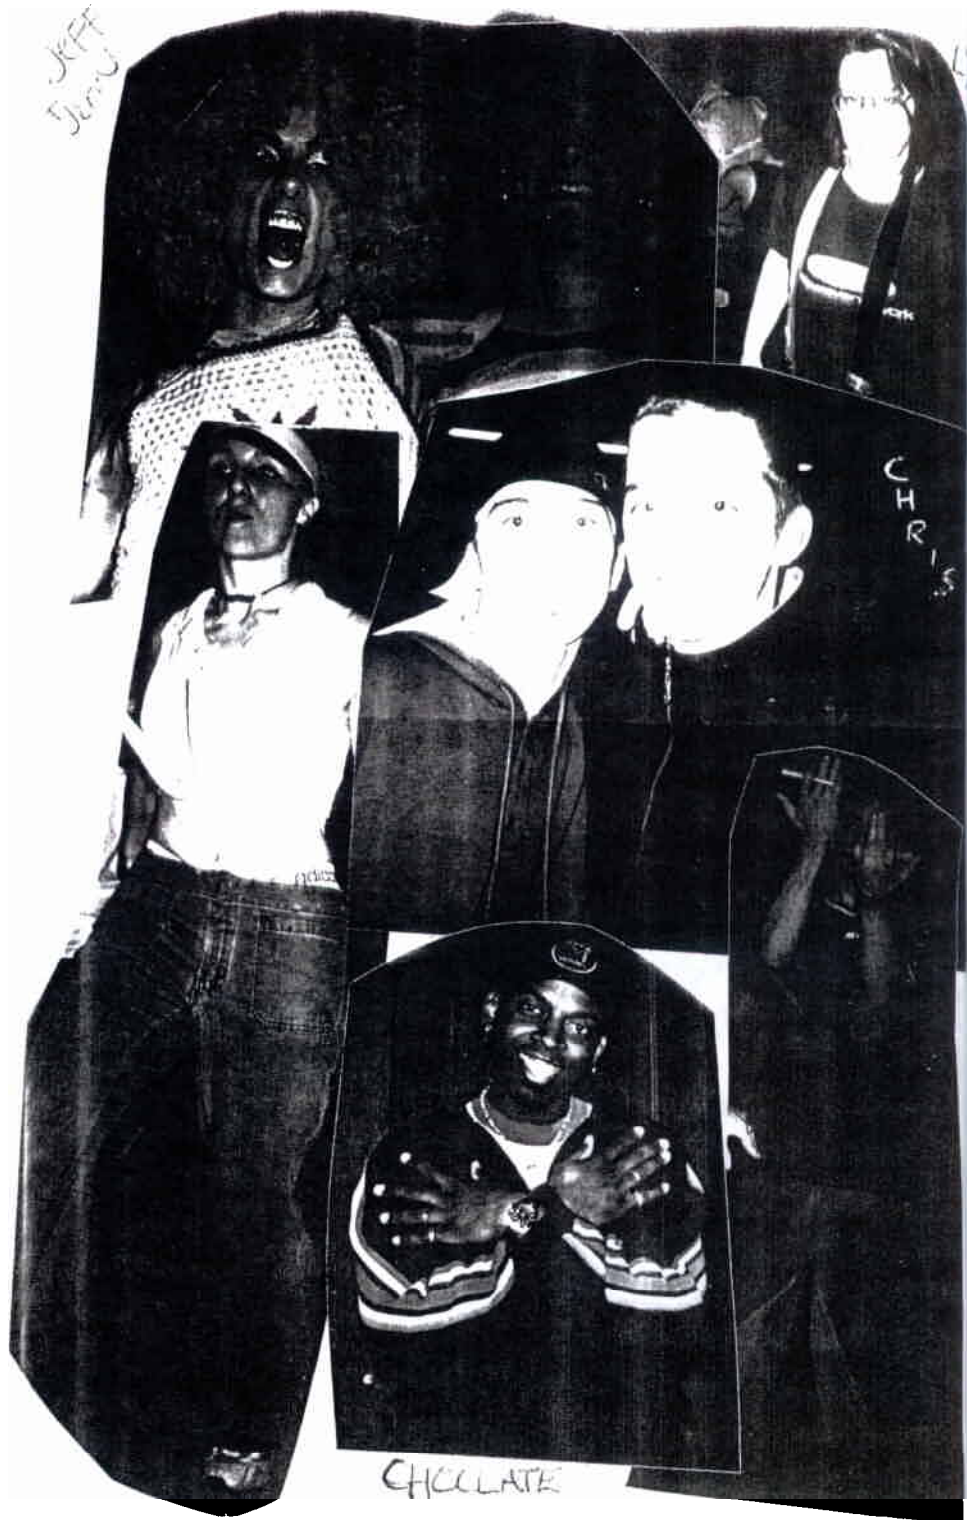

new year and hugged everyone around us
they kicked in with some gabber,
basically showing us how hardcore 97 is
going to be!

The music was acid all night. Some house
lover's were upset but me personally loved it
all!!! ACID! HELL YES!! All D.J.'s showed
positive on the attendance except for
Glenn UNDERground and Boo William's. They
showed up very late and basically said,
"we don't care about Chicago party's we're
just trying to get to as many party's as
we can and make as much money as we can!"
So i didn't even care if they spun
or not! With attitudes like that toward's
our Chi-town scene, i could care less if they
spin here again!

Anyway's, this party rocked! I love you ATP+
CORE INNOVATION'S! You guy's know what's up!!

THERE WAS A TIME I THOUGHT I HAD THE BEST FAMILY !!!!!
SINCE WE ALL CARED SO MUCH FOR EACH OTHER & WERE
THERE FOR EACH OTHER (SO WHAT WE THOUGHT.) IF
ANYONE OF US HAD A PROBLEM WE COULD ALWAYS SHARE
IT WITH EACH OTHER. THE TIME WE SPENT GROWING
UP TOGETHER & GETTING TO KNOW EACH OTHER WAS THE
BEST. TIMES WE SPENT AT ARE FRIENDS GRANDPA'S
HOUSE WAS THE MOST MEMORABLE FOR ALL OF US.
HAPPYNESS & EVEN TEARS WERE SHARED THERE. I THINK
BACK AT EASTER BREAKFAST & I KEEP HOPING WE WILL
SOMEDAY HAVE THAT AGAIN. THERE WAS SO MUCH LOVE
FOR EACH OTHER. IT'S UNEXPLAINABLE. ANYBODY ELSE
WHO STEPPED INTO THAT HOUSE FELT THAT LOVE. I
KNOW & UNDERSTAND PEOPLE CHANGE, GROW UP, MOVE ON,
ECT.....

BUT WHAT WE SHARED HASN'T CHANGED. BUT HOW WE ARE
AS A FAMILY HAS CHANGED! I SENSED IT & I KNOW YOU
ALL HAVE ALSO. THERE'S THAT SAYING 'YOUR FAMILY
ARE THE ONE'S WHO WILL ALWAYS BE THERE FOR YOU'.
BUT WE ARE FAMILY, I DON'T CARE IF WERE NOT BLOOD.
WHAT WE SHARED BROUGHT US THERE. THE LOVE SHOULDN'T
CHANGE!! YOU KNOW WHO YOU ARE IF YOUR READING THIS.
WHEN ONE OF US IS GONE IT FEELS LIKE A PIECE IS
MISSING. EVERY SINGLE ONE OF MAKE 'THE FAM' WHO IT
IS TODAY. THERE'S SO MANY PROBLEMS ! BUT WE NEED
TO KICK THEM ASIDE & BRING BACK THE LOVE WE ONCE
HAD. YOU KNOW & I KNOW THERE IS NO FAM ANYMORE.
WELL I SHOULDN'T SAY THAT, JUST THAT THERE HASN'T
BEEN ONE FOR A LONG TIME. BUT BEFORE I GO I ALSO
NEED TO SAY----'WE ALL CAME TOGETHER, SOME HAVE
LEFT BUT THE REAL HAVE ALWAYS STUCK!!!'

I LOVE YOU ALL !!!!! !!!!!!!!!

LOVE ALWAYS,
ANONYMOUS FAMSTER

P.S. I TRYED MY BEST TO EXPLAIN.
BUT IF YOU WERE THERE YOU
UNDERSTAND!

I LOVE YOU ALL NO
DIFFERENT!
